

# CURBSIDE RECYCLING INDEFINITELY, INC. (GJ CRD)

## COMMERCIAL RECYCLING MATERIALS GUIDELINES

Below is a quick reference for the materials we recover from businesses — what is recyclable, what is not, and how to prepare material for collection. Your efforts to provide us with only clean, specified material — leaving out that which is non-recyclable — will help you save money and ensure that what we collect is reprocessed into usable goods.
