

Correction

In our most recent newsletter we printed an address for reducing junk mail. Since then we have discovered that the P.O. Box has been closed and mail is not being forwarded to the correct box!

If you would like to utilize the Direct Marketing Association service to reduce junk mail please visit them online at www.dmchoice.org or call them for more information at (212) 768-7277

We apologize for any inconvenience this error may have caused you.

Schedules

2008/2009

Please note that the schedule you have received has two years printed on it. Make sure that you are checking the correct year for your scheduled pick up. Schedule changes due to a holiday are printed in **bold** and are marked with an asterisk.

Combine Us

Did you know?....

GJ CRI has designed a new system that now allows you to **combine** your **#1 & #2 solid plastic containers** with your **steel** and **aluminum cans**.

Glass must remain separate from any other material.

Thank you for continuing to remove lids and rinse containers.

GJ CRI Gyre Contest

The first five people to correctly answer both questions will be awarded \$10.50 from GJ CRI (That's 6 months of free curbside recycling!)

What is a gyre?

What is happening to the gyre?

Call the office at (970) 242-1036 with your answers and Good Luck!!!
