

CONTAINERS

You will need to use four containers to properly sort all material. We provide you with four locally made recycling bags at sign up to help you get started. These are sturdy, reusable bags with handles. Additional bags as well as recycling bins are available for purchase.

We do not require that you use our containers. Paper sacks, laundry baskets and boxes work well. Please make sure that your containers:

1) are not falling apart; 2) weigh no more than 40 lbs. (with recyclables in them); and 3) do not collect rainwater, leaves, garbage, etc.

COLLECTION SCHEDULE

Your schedule is now available to download and print from our website. Check it out at www.gjcri.com.

The following holidays are observed:

Jan. 1st	New Year's Day
May 25th	Memorial Day
July 4th	Independence Day
Sept. 3rd	Labor Day
Nov. 22nd	Thanksgiving Day
Dec. 25th	Christmas Day

Please check your calendar for holiday schedule changes.

Recyclables must be out by 8 a.m. on pick-up day.

If you miss your regularly scheduled collection you may either call for a special pick up or utilize the West Avenue drop off. The charge for the first special pick-up in a calendar year is \$2.50. Additional special pick ups are \$5.00.

Unless otherwise noted on your registration form, recycling collection occurs at the curb of your street, *not in the alley*. Exceptions can be made in certain cases. *If you have physical limitations preventing you from bringing your material to the curb, assisted collections may be provided.*

RETURNED ITEMS

Our crews will let you know in writing if you have set something out for pick up that cannot be recycled. We will usually also return the item to you for disposal. We apologize in advance for any inconvenience this may cause you. Please phone us if you have questions about what can be recycled. **Thank you!**

Please check with local grocery stores for availability of plastic bag recycling.

COST

The monthly service charge for regular once-per-month curbside recycling collection is currently \$1.75. Twice-monthly service is available in most areas for an additional annual cost of \$25.00. *Low-income exemptions to the recycling fee are available in certain cases.*

Please limit the material you set out to that generated by your household! Sharing with friends and neighbors reduces our efficiency and increases operating costs.

The Curbside Recycling Program is operated by *Curbside Recycling Indefinitely, Inc. (GJ CRI)*, a locally owned private company, in partnership with the City of Grand Junction. Please refer all questions about your curbside recycling service to GJ CRI directly. Transfers, cancellations, and other modifications of service should also be made known to GJ CRI.
