RECYCLING BAGS AND BINS

Please use any containers that serve your needs, making sure that they are in good repair, do not collect water, and weigh no more than 40 lbs (material included).

You are not required to use our containers.

RECYCLING BAGS: 22 gallon reusable polypropylene bags with handles attached.

RECYCLING BINS: Red, open, 18 gallon, UV resistant, plastic recycling bins with lettering and the gecko logo for purchase at \$12.00 per bin. These are open, stackable containers. (Dimensions are approx. 25" by 16" by 13") **Recycling bins and bags are limited to curbside recycling customers only.**
